

Job Title: Service Manager.

This position is an active and engaging management position at WildEdge. We are looking for someone who is enthusiastic about beer, enjoys customer service, is attentive to detail, and works well with a team towards the goal of providing a great beer experience to every customer. We work in two person teams during service hours and this position participates in and manages the below responsibilities.

Responsibilities:

- Manage service staff (i.e. scheduling, task management, service quality control...)
- Set up and manage front of house for daily service.
- Pour pints of beer, glasses of wine, NA beverages.
- Do weekly shopping for food stuffs.
- Prep simple menu items.
- Plate food items from a small food menu.
- Restock to-go beer fridge.
- Clean and sanitize areas of customer use.
- Wash bar and kitchen dishes.
- Move and tap kegs into the draft system.
- Engage with customers in a positive, on brand way.
- Talk enthusiastically about craft beer.
- Create a warm, welcoming, experience to all customers while showing gratitude for their business.
- Communicate effectively with co-workers.
- Fill 32 oz CANteens of to-go beer.
- Point person for special events at the brewery.

Hours:

- 36+hours/ week. Wednesday-Sunday afternoons/evenings.
- Training starts second half of July. Full time starts beginning of August.
- Possibility for additional hours with production.

Preferred Experience:

- Experience in the service industry, especially serving alcohol.
- TIPS trained or equivalent.
- Familiarization with food handling and safety standards.
- Basic knowledge of food preparation.
- Craft beer lover.

Wage:

- Starts at \$13-\$15 based on experience for qualified applicants.

Dropped off and emailed resumes accepted.
